Step-by-step guide to login to the Satchel:One app (PUPILS)

- ▶ First, download the Satchel:One app from your device's App Store (Links to Apple App Store and Google Play Store are above)
- ▶ Once you have downloaded the app and opened it for the first time you should be greeted with a screen similar to the image below.

The screenshot shows the Satchel:One app login interface. At the top right is the logo "satchel:one" with the tagline "Together through education". The main section is titled "Login" and includes a "Forgot password?" link. There are three tabs: "Staff", "Parent", and "Student", with "Student" selected. Below the tabs are two radio buttons: "I already have an account" (selected) and "I don't have an account yet". A text input field contains "Johnstone High School". Below that are fields for "Enter email address or username" and "Enter password" (with a toggle for visibility). A blue "Log in" button is positioned below the password field. Underneath, there is a section "Or log in with:" with three options: "Sign in with Office 365", "Sign in with Google", and "Sign in with RM Unify". On the right side, there is a help section titled "Need help logging in?" with a sub-link "Logging in as a student". Below this is a "Forgot password?" section with instructions to reset the password using a school email address and to contact the school if needed. At the bottom right, there is a "SHOW MY HOMEWORK" badge and the Satchel:One app icon.

In the search box, type in "Johnstone High School" and click the magnifying glass button.
