1. If you select College with the intention of doing a course such as Construction, Criminology or Photography, for example, you cannot also pick that course to study here.
2. Criminology entry requirements: As this is a heavily oversubscribed course both in school and at college, it carries certain entry requirements. You must have a pass at National 5 (C or above) in English and a Social Subject (Geography, History, Modern Studies, RMPS).
3. Available at levels 4, 5 & 6 in Spanish/French/German. The language being delivered will be dependent on the prior experience of those choosing the course and staffing.
4. This will either be Modern Studies or History, depending on staffing.
5. Only available at level 7
