

Pupil Name: _____

Registration Class: _____

Pastoral Teacher: _____

Instructions: The table over the page has your individualised recommended level of study in S5 using the following codes:

National 5 or SCQF level 5 = **5** / Higher or SCQF level 6 = **6** / Adv H or SCQF level 7 / Not recommended = **NR** / Not studied in S5 = . This has been taken from information from departments.

You now need to complete the "Pupil Preference" column with a minimum of **4 subjects** you wish to study in S6 Stage 1. In addition, you need to select 1 subject from the Skills section and 1 subject from the Elective Classes table on the next page.

You may only choose 3 subjects if they are all at Advanced Higher level. In addition, you need to select 1 subject from the Skills section and 1 subject from the Elective Classes table on the next page.

If you wish to study an Advanced Higher subject which is not offered below please note this in the Advanced Higher request section and we will investigate the possibility of this being delivered at another Renfrewshire secondary school via consortia.

Please note that consortia Advanced Higher subjects cannot be guaranteed, and another subject should be considered as a "fall back" if consortia schools are unable to facilitate this.

When choosing your subjects, you should be thinking about your career aspirations, and which subjects you are most likely to achieve in. These choices should be discussed at home with your Parent / Carer Stage 2. Then finalised with your Pastoral teacher Stage 3.

If you would like a phone call, with your child's Pastoral teacher, to discuss their options please tick this box

Pupil Signature: _____ Parent / Carer Signature: _____ Date: _____

Curricular Area	Subject	Available levels of study	Recommended level of study	STAGE 1	STAGE 2	STAGE 3
